Yes, we do need to talk. I'm concerned about the position you're putting us in.

Yes.

FYI, I just sent Susan Callery an email requesting that her and I have  
 15-30 minute call tomorrow. My hope is that EPA and DTSC can get on  
 the same page regarding the role of TASC under DTSC upcoming CI Program at  
 SSFL so we can give some good answers to the SSFL CAG folks on Wednesday.  
 Want to join Susan and I for the pre-call tomorrow ???

Craig

REMINDER: SSFL CAG meeting with EPA regarding TASC technical assistance  
 requests 7/28 11am

Please join us for a meeting with EPA on 7/28 (this Wednesday) at  
 11:00am to discuss this communities' multiple TASC technical  
 assistance requests denied by EPA. We look forward to a productive  
 discussion about the needs and questions that the surrounding  
 communities have.  
 I'll be sending out conference call access links and call-in #s  
 shortly under separate cover.

Thanks,  
 Christina
